

NEW CANDIDATE FOR HONORS OF AUTO CARNIVAL

Elsie Janis's Lead for Queen
Is Threatened by a New-
comer in Race.

ROSE'S FRIENDS BUSY.

Audobon Yacht Club Hustling
to Elect the Commodore
King.

Several new candidates for royal
honors in the Automobile Carnival of
April 6-11 are in the field to-day with
a formidable first vote.

The most promising of these is Com-
modore A. N. Rose, who lives at the
Hotel Winthrop, Seventh avenue and
One Hundred and Twenty-fifth street.
He is president of the Rose Manu-
facturing Company in West Fifth
street, and has the backing of the
members of the Audubon Yacht Club,
of which he was commodore until a
few months ago, when he retired. The
commodore is a thirty-second degree
Mason, a member of Mecca Temple, of
the Mystic Shrine, and of the New
York Consistory. He is married, and
both he and Mrs. Rose are enthusiastic
motorists. Mrs. Rose is a skillful
driver and may be seen every morning
piloting a Corbin racing car on upper
Broadway or in Central Park.

Seventy-seven votes for the com-
modore were polled to-day, and the Au-
dubon Yacht Club men have inaugurated
a systematic canvass for their favorite
and promise that all his friends will be
enlisted as a campaign committee.
That popular man in Automobileville,
Col. K. C. Pardee, of the Maxwell
chairman of the Parade and Hill Climb
committees for carnival week, was also
launched by his business associates and
competitors in "the district" with 126
votes.

S. M. Butler, the affable secretary of
the Automobile Club of America, and
one of the leading motorists of New
York, has been put in the field with
400 votes for King, and Sidney B. Bow-
man, Clement-Bayard, the youngest old-
timer in the business, has been started
with 220 votes.

The friends of Arthur Present came
to the front with 20 votes to add to
his "starter," and Reed Holiday was
started with thirty-six, "Ted" Marks
with ten and George P. Morgan, of the
Cotton Exchange, with six.

New Candidates for Queen.
Edna May Spooner, who is the star
of the stock company at Blaney's Lin-
coln Square Theatre, at Broadway and
Sixty-sixth street, is the latest aspirant
for Queen of the Automobile Carnival.
At a reception held on the stage yes-
terday Miss Spooner announced to her
hosts of friends that she had entered
the contest, and that she would en-
deavor to win the coveted honor. The
matinee girls showed their loyalty by
casting ninety-five votes on the spot for
Miss Spooner, and will aid her in the
contest. A ballot box will be installed
in the lobby of the theatre and votes
can be registered for Edna May Spooner
by placing them in the ballot box.
Augustus Phillips has many supporters
for King, and will be Miss Spooner's
running mate in the contest.

New candidates for the Queen's cham-
berlain included Mrs. Charles E. Miller,
with 21 votes; Miss Cecil Spooner, with
10; Mrs. L. E. Anderson, 6; Miss E.
Thiesman, 6; Mrs. Albert Ruhmiller, 9.

and a score of others with 2 to 5 votes each.
Elsie Janis maintains her lead for Queen with 447 votes.
Miss Roselland O. Green, the fasci-
nating cashier for the Times Square Automobile Company, who is the Queen candidate, was advanced along the way to the goal by the votes of 126 of her friends, and is now second in the race for Queen with 296 votes. Mrs. Cuno has 261.

Mrs. Sidney B. Bowman, in her Apperson, rode forward with votes enough to make her climb 132.
Hill Climb at Fort George.
Col. Pardee, chairman of Hill Climbing Committee, announced to-day that permission had been secured from the city authorities to hold this contest, heart-breaking to the participants and thrilling-provoking to the spectators, on Fort George Hill Thursday afternoon. More than fifty motor cars of various weights and values will take part in the contest.

The course is ideal. It starts from under the Dyckman street subway station—the "subway" being an "L" road at that point—and winds up to Fort George in an "S" double curve. The entrance is only ten feet wide, an "L" pillar obstructing the opening. The road is sixty feet wide and "paved" with cobblestones, and it is what is known technically as a 14 per cent. hill, which means a grade of about 100 feet to the mile.
It is the same course used last year, when Frank Leiman drove a Stearns up the hill in 25 seconds, winning first prize.

Prizes and Receptions.
The prizes for this as well as for all the other competitions of the week will be presented to the winner at the Automobile Club of America, Fifty-fourth street and Broadway, on Saturday evening, April 11, when the week's carnival will be concluded with a smoker. The visiting motorists and the trade by that famous organization.
The reception committee is made up of: Gen. George Moore Smith, James L. Breese, W. P. Hamilton, John E. Borne, Dave H. Morris, Col. John Jacob Astor, George F. Chamberlin, S. S. Wheeler, M. D. Chapman, A. R. Shattuck, W. S. Panshaw, Henry Sanderson and Waldron Williams. Admission will be by ticket, and as the seating of the large assembly room is limited, tickets will be in much demand.
There will be a collation and a splen-

WILL HELP CHILDREN TO SAVE THEIR PENNIES.

Under Proposed Postal Bank Bill
They Can Begin With Only
One Cent.

WASHINGTON, March 12.—Children are to be encouraged to save their pennies by a feature of the Postal Savings Bank bill now reported to the sub-committee of the Senate Committee on Post Offices and Post Roads, which is considering the various postal bank bills.
The committee has taken the best features of all the bills and is drafting what it believes to be an ideal savings measure which can be made. The feature that is expected to attract the children is taken from the Carter bill.
It provides for the sale by post offices of cards, each to hold nine stamps. A child may purchase a card for one cent and buy stamps at one cent each. When nine stamps have been attached the child may deposit the card and receive credit for a deposit of 90 cents.

When your food does not seem to give you strength, stop eating promiscuously for a few days, take a dish of Grape-Nuts and cream for breakfast, eat slowly and note the way you can work all the forenoon without that "faint" feeling.
Grape-Nuts, made from wheat and barley, contains the phosphates which the miller of white flour throws out, for that part makes dark flour, but these phosphates are necessary to the rebuilding of brain and nerve cells. You get Nature's food not drugs, n Grape-Nuts.

"There's a Reason"

GOOD SHIP ARYAN IN.

After a devious trip of 154 days around the Horn, the ship Aryan, the last wooden full rigger built in America, arrived yesterday and made fast to the Erie Basin breakwater. The Aryan brings a cargo of 100,000 bushels of California and Oregon barley and has saved the day for the New York brewers, who are short of material for malt.

DOCTORS' MISTAKES CORRECTED.

TUBERCULOSIS CURED.

The remarkable success of Dr. Anderson's treatment and cure of diseases of the Lungs, Heart, Liver and Stomach is due to the use of his wonderful and scientific invention, the Anderson X-Ray Apparatus for examining the interior of the body.
An examination with this X-Ray (requiring only a few seconds' time) enables the Doctor to assure an absolutely correct diagnosis immediately, and he is then able to direct the proper kind of treatment at once, because he knows the organs which are diseased and the exact stage of the disease.
Before the invention of the Anderson X-Ray the diagnosis was frequently guess-work and often wrong altogether, making the treatment not only experimental but actually useless and frequently dangerous. To think the proper kind of treatment to be to the outside of the body and look wise is more child's play compared to the accuracy of the diagnosis now obtainable by this perfected X-Ray, which enables Dr. Anderson to actually look through the human flesh into the body and see each of the internal organs as they are at their work of sustaining life.
This X-Ray reveals and locates the disease at any stage from three to six months earlier than is possible by the usual medical examination.
These facts are not based upon a few experiments with a dozen patients, but are the result of sixteen years' experience as a lung specialist and nine years as the only expert X-Ray Specialist in New York.
If you have any symptoms of Catarrh, Hay Fever, Asthma, Bronchitis, Consumption or bad results from La Grippe, heed the warning and consult Dr. Anderson for a correct diagnosis of your trouble at once, before tubercle bacilli appear or serious complications develop.
Do not neglect, do not delay, do not expect and do not wait for spring break-down to overtake you. Be sure of what your real ailment is before trying any remedy. Treatment, Office consultation and examination free of charge.
Dr. Anderson's office is located at No. 2 West 26th St. (between 5th and 6th aves.), New York. Hours: 10 to 4. Office is open on Monday, Wednesday and Friday evenings 6 to 8 o'clock (Sundays, 11 to 2). If unable to call, write for particulars. Dr. Anderson's new illustrated book upon Lung and Chest Diseases sent free to any address.

**This is the day of the gentle in
medicine. Cascarets have
supplanted physics. They act in a
natural way, not with harshness.**

Most of our dull days are due to inactive bowels. Nearly all of our minor ills could be avoided by a little candy Cascaret. Also, half of our greater ills. Isn't it foolish to suffer, when there is such a pleasant way to avoid it?
Cascarets save the hours. They save the time that we waste if we are not at our best. They bring good cheer. For the blues and ill temper rarely occur when the bowels are properly helped. They make the breath sweet, the complexion clear, the eyes bright. All this for ten cents per week.

In the old days, people let matters run until they needed a large dose of physic. Then they took something severe—like castor oil, salts or cathartics. That meant abuse to the bowels. These are 12 days of the gentle and natural—the days of Cascarets. Carry a box always with you. For the right way to take them is one—a time—just as soon as you need it.

Cascarets are candy tablets. They are sold by all druggists, but never in bulk. Be sure you get the genuine, with CCC on every tablet. The price is 50c, 25c and 10c.
